# THE ARTIST

Christian Schumacher is a painter from Germany, based in Berlin. He was born and raised in a small town in the former GDR called Schönebeck Salzelmen. Christian always enjoyed the quiet village life, and painted from a very early age. After finishing his schooling, he moved to Berlin, to see more of the world and develop his art and process. To pay his way in Berlin as a struggling artist, Christian worked in the ambulance service, surgery, and emergency rooms and his work is infused by the visceral experience of bones and flesh and blood in those places and spaces.

In 2018 Christian took a journey to Portugal and had the opportunity to be featured in two exhibitions. With the paintings that were sold there, he was able to finance his travels through the rich cultural tapestry of India, Nepal, Taiwan, and Scandinavia. The main focus of Christian's inspiration comes from those early medical rooms, his travels, his love of literature, music and languages, and the aesthetic of numbers, letters and colors.
